"HOME OF THE PIONEERS"

January 7, 2009

Dear CCCS Parents,

The P.E. Department would like to raise money for the American Heart Association's 30<sup>th</sup> anniversary of "Jump Rope for Heart". We want to accomplish this by having a "Hoops and Jump Rope for Heart" special event on Friday, January 30 at 1:00 p.m. in our school gymnasium. Only students who bring donations get to participate.

Our school's goal this year is four thousand dollars and all donations will go to the American Heart Association. We believe this event will help our students understand the importance of community service and physical activity while helping to save lives.

You can assist your child in this fund raiser in a fun and easy way. We encourage you to use the online fundraising tool found at [www.americanheart.org/jump](http://www.americanheart.org/jump) or [www.americanheart.org/hoops](http://www.americanheart.org/hoops) and click the link "I am ready!" Students can create their own webpage and send emails to all of your family and friends. **Students should not go door-to-door or ask strangers for donations.**

Students will receive different prizes for different levels of donations after the donations have been submitted. As added incentives: 1) If a student brings in \$25.00 they get a chance to throw a pie at both of us. 2) If they bring in \$50.00 they will receive a t-shirt and we will send their group picture to the newspaper. 3) A special lunch day will be given to the class with the most donations. 4) The individual student with the most donations will also be recognized.

If you are interested in making a difference, please sign the permission slip on the collection envelopes that were sent out before the Christmas break. I have enclosed a Heart Certificate that the student can return to us to be put on an "Honors Wall" to recognize an individual who has been affected by heart disease or stroke.

If you have questions please contact one of us at 885-4700.

Trusting in Him,

Coach Susan and Mr. Cherry CCCS  
Physical Education Teachers
